

Tax Talk Today — Internal Revenue Service

The 2009 tax filing season is right around the corner. To help business owners and individual taxpayers prepare for the upcoming tax season, the Internal Revenue Service is hosting in January the Tax Talk Today (TTT) program, “Getting Ready for Filing Season 2009,” on Tuesday, January 13, 2008 at 2 p.m.

In this special, 100 minute Web cast, TTT panelists will discuss updates to forms, the latest tax law changes, common errors to avoid, and IRS processing issues that will assist your readers in preparing their 2008 individual and business returns.

Sponsored by the IRS, Tax Talk Today is a free, live, monthly interactive Web cast aimed at educating tax professionals and their business clients on the most contemporary and complex tax issues. They are encouraged to watch and submit questions.

To access the Web cast at no charge, viewers can register online at Tax Talk Today: Welcome <http://www.taxtalktoday.com/>. You can view Tax Talk Today with Windows Media Player and Real Player.
